DETAILED ACTION

1. The restriction requirement filed on 10/1/03 has been withdrawn.

Therefore, claims 1-18 have been examined and allowed.

Allowable Subject Matter

2. The following is a statement of reasons for the indication of allowance subject matter: the prior art of record does not teach or suggest the combination of a pressurized vessel containing encapsulating material with a stencil printing head for riding over a stencil. The head having a slot in fluid communication with the vessel for allowing the encapsulating material to escape from the vessel under pressure, wherein the slot is angularly adjustable in claim 1.

A stencil with an aperture surrounding a die, wherein the aperture and die defining first and second streets, each street having space between the die and an edge of the aperture. A slot that provides fluid communication between the pressurized encapsulate and the stencil, wherein the slot is oriented at an angle greater than 3 degrees relative to the both the first and second streets in claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
